Adult entrants must be in good standing of the USBC and the Greater Dayton USBC. Bowlers must present current membership card to tournament officials prior to bowling.
 - Any individual wishing to compete in a GDUSBC event as an unattached member will be required to purchase membership 30 days prior to the date the player participates in the tournament.
 - Members who are eligible for another association championship tournament must have bowled a minimum of 21 games in a GDUSBC sanctioned league in the 2009-2010 season or current year to be able to participate in the GDUSBC city tournaments.
- Events:** The tournament will be a singles, doubles and team event. The team event will be a four person team. Multiple participation in the doubles event is permitted but you must change partners each time. Multiple participation in the team event is permitted in the team event, but you must change at least two bowlers. All Events will be actual scores only and your first score in each event will count toward your overall All Events score.
- Cost:** \$21.00 per individual per event. The cost will be \$26 (\$5.00 walk in fee added) if entered as a walk in..
 - Walk-Ins will be accepted subject to lane availability. Walk-in entries will be accepted up to 15 minutes prior to start of next shift. A walk-in is defined as an entry being submitted the day of the actual event bowled and will be assessed a \$5.00 fee per bowler.
 - No entry fees will be refunded once the entry has been scheduled
 - No checks the day of the tournament
- This is a handicap tournament bowling 3 games on the same pair of lanes barring mechanical failure.
- The tournament will have a maximum of 16 lanes per shift. A maximum of eight bowlers will be assigned per pair. The lanes will not be re-run between the weekend squads
- Handicap:** The handicap basis will be 90% of 220 average for singles, 90% of 440 for doubles, and 90% of 880 for team.
- Average:** Highest USBC book average for the 2009-2010 season will be used. If no previous season average, bowler must use current average of 21 games or more as of December 2, 2010. Bowlers without an acceptable average will bowl scratch or 220. Failure to use the correct average shall disqualify score if submitted average is lower than correct average thereby resulting in a lower classification or more handicap. Prize winnings shall be based on the submitted average if it is higher than the correct average. However, corrections in averages may be permitted up to the completion of the first game of a series. Bowlers with an average only from a Sports League will be re-adjusted to USBC guidelines.

- Champions:** The champions of each event will be crowned and presented a suitable award.
- Bowlers wishing to cross with certain other individuals must send entries in together. Pre-paid entries will be paired, when possible, by average. Walk In lane assignments will be assigned based on the order of sign up.***
- All errors must be reported within 24 hours after bowling. The GDUSBC number is 937-222-2695.
- Bowlers will bowl on the date and time of their choice unless otherwise notified. To assure best choice of dates and times, early return of the entry form is encouraged.
