

All-City Team Criteria

The GDBA All-City Team's purpose is to recognize, each year, the top accomplishments within the USBC certified Dayton area leagues and events, USBC State Championships, and USBC Open (Nationals) Championships. Points are awarded for the following categories: Averages (minimum 60 games), Honor Scores (maximum 10 points per house), and Tournaments (City Mixed, City Regular, State Championship and USBC Open(Nationals)). You must have 60 games bowled in a GDBA certified league to be eligible for consideration.

Honor Scores

Honor scores will be recognized per GDBA bowling centers with the opportunity to earn a maximum of 6 points for 300 games and a maximum of 10 total points for award scores and 800 series. Honor scores during the Mixed, City, State and USBC Open (Nationals) are in addition to the above points. **If you roll more than one score in a house you will earn the next available points. You can earn up to a maximum of 10 points per house during league play.**

Amount of points possible per house is as follows :

300 Games – 1st 300 = 3 points; 2nd 300 = 2 points; 3rd 300 = 1 point; 4 or more = 0 points due to the cap of 6 points maximum for 300 games.

800 series – 1st 800 = 4 points; 2nd 800 = 3 points; 3rd 800 = 2 points; 4th 800 = 1 point; 5 or more = 0 points due to the cap of 10 points maximum for 800 series.

For USBC Certified Sport Shot Leagues an 800 series would be worth 8 points and 300 games would be worth 6 points. The maximum point total per house for award scores will still be 10 points.

Any combination of the above can be added together but the maximum points allowed per house is 10.

Examples:

3 – 300 games, 0 – 800 series = 6 points (3 + 2 + 1)

3 – 300 games, 1 – 800 series = 10 points (3 + 2 + 1 + 4)

1 – 300 game, 2 – 800 series = 10 points (3 + 4 + 3)

2 – 300 games, 2 – 800 series = 10 points (3 + 2 + 4 + 3 = 12 but the max. is 10 per house)

2 – 300 games, 1 – 800 series = 9 points (3 + 2 + 4)

Averages

League Shot	Points	USBC Certified Sports Shot
240 +	10	220 +
230 – 239	6	210 - 219
220 – 229	4	200 - 209
210 – 219	2	190 - 199

You can earn up to a maximum of 15 points for averages. Averages are based on a minimum of **60** games. You can only get points once per center and your highest point value will be used. Traveling Leagues will be treated as a center.

* Please note any sports average over 220 earns 10 points.

All tournament points are based on actual scores.

For all of our tournaments it should be noted that you earn points for your highest finish. Example: if you finish 2nd and 4th, you earn the points for second place.

Tournament points will be awarded only for the above tournaments. No additional tournaments will qualify for points.

We will be honoring both a first and second team for All-City Honors.
